

# Beycik Explorer Map

This map should not be photocopied or reproduced in any form without permission. Trails in the Beycik area are looked after mainly by the local walkers with the help of Kemer Belediye and the Culture Routes Society. All antiquities are surveyed and documented by the archaeological department of the Akdeniz University and protected by law.  
 Beycik Explorers Map v0.5 © A.Wielochowski July 2023.

This map covers an area of 5km by 3.5km approximately.
